Catalyst Rental Declaration

Catalyst software can be rented to any of the following: individual, company, organisation or group. For simplicity this form will refer to "Company" to represent any of the aforementioned. Furthermore a Catalyst rental agreement may cover multiple such companies in which case the following information and declaration should apply to the sum total of all companies covered by the rental.

Company Name : _____

I declare annual turnover for the previous financial year

Start Date : _____

End Date : _____

Turnover Value: _____

Supporting Evidence Included (tick if appropriate)

Date: _____

Name: _____

Signed: _____

Position In Company: _____

Special Notes

It should be noted that Catalyst retains the right automatically to verify the information provided by automated extraction of period transaction totals directly from the rented software at any time. Catalyst undertake steps to ensure that any extracted information will be used exclusively for verification, will be confidential and absolutely will not be transmitted to third parties under any circumstances.
